Gentlemen:

I am in receipt of your letter of August 4, 1986, regarding potential ponding of rainwater at the Naval Air Station, Alameda, West Beach Landfill.

We are continuing to work closely on this matter with the environmental staff at Western Division, Naval Facilities Engineering Command. Our goal is to resolve the ponding issue expeditiously and to ensure compliance with all of the landfill's closure requirements.

My point of contact is Mr. Randy Cate or Lieutenant Commander Tucker at 869-4731.

Very truly yours,

G.R. GOLDENSTEIN
CAPTAIN, U.S. NAVY
COMMANDING OFFICER
